

Inspired by pioneering labels such as Toolroom, Hot Creations, Drum Code, and artists such as Dense and Pika, Mark Knight, Rene Amesz and Hot since 82 – [Mainroom Techno & Tech House](#) delivers a floor-filling collection of driving Techno drum grooves, energetic Tech House synth lines, chords, vocals and sound effects...

Expect to find raw, pumping techno beats, tribal-laced percussion rhythms, groove-heavy basslines, contemporary synth lines & warped chords, crusty top & add-on loops, inspirational vocal cuts, punchy drum hits & FX as well as accompanying MIDI files

for each melodic loop!

Mainroom Techno & Tech House delivers over **800MB** of stunningly produced sample content, recorded at 126 BPM.

What's included in the sample pack?

800MB of 24-bit, royalty free sample content (1.1GB including REX loops)

- **Drum Loops** - 211 loops; fusing energetic Techno grooves with sparse Tech House influenced drums, creative top loops & quirky percussion. 52 full drum loops each including 3-5 variations (full, stripped, top, groove...)
- **Bass Loops** – 61 expressive bass licks, cone-melting subs, pulsating low end rhythms and aggressive analogue grooves
- **Synth & Chord Loops** – 48 powerful synth lines, twisted melodic arps & blips, tech-house influenced stabs and warm analogue chords
- **Top Loops** – 63 creatively designed top loops, twitchy hats, driving techno add-on grooves, dusty groove-assist tools and much more...
- **Percussion Loops** – 53 intricately layered percussive ensembles, sparse tribal grooves and deep Techno percussion rhythms
- **Vocal Loops** – 37 creatively cut vocal lines, warped voices and inspirational phrases...
- **Drum Hits & Tones** - 346 drum hits, percussion licks, bass tones & synth hits, full of character and created from the ground-up
- **Sound Effects** – 55 risers, falls, transition tools and tempo-synced fx
- **MIDI Patterns** – 110 MIDI files divided into 'bass' and 'synth / chord' patterns. This folder includes the MIDI patterns from all of the library's Bass and Synth/Chord loops
- **Drum Kits** - 19 ready-to-play drum kits & sampler patches for Battery, Kontakt, NN-Xt, Halion and SFZ

Full Download contains:

- 811MB full download
- 473 x 24-bit Wav loops
- 402 x 24-bit Wav one-shot samples & fx

- 110 MIDI patterns
- 389 x REX 2 loops
