How can I use these sounds in my music?

The sounds and samples in this taster pack can be used in your own music compositions without the need to credit Wave Alchemy in any way.

This free selection of sounds is just a very small taster of what to expect from our full [Mainroom Techno & Tech House](#) sample pack. If you like what you hear and find the samples useful you can purchase the full product here:

http://www.wavealchemy.co.uk/mainroom-techno-&-tech-house/pid160/

You are **NOT** permitted to re-sell these sounds in any way or form. You are **NOT** permitted to use these sounds to create or build a commercial sample library. You may not distribute this sample pack without permission from Wave Alchemy.

Use of these sounds in multimedia projects is limited to use within original musical compositions, including library music. Any other multimedia use of these sounds must be cleared with Wave Alchemy prior to release.
